**2009 Love Light Tree Celebration Planned**

*Hospital Auxiliary Prepares for Ceremony and Reception*

November 16, 2009 – Madison, GA -- A tradition of giving by the citizens of Morgan County continues as the Morgan Memorial Hospital Auxiliary prepares for its annual Love Light Tree celebration on Tuesday, December 8th at 5:30 P.M. The Love Light Tree is an opportunity for residents to remember or honor loved ones with a tax-free donation to the hospital. 100 percent of the funds collected are used to purchase new equipment for Morgan Memorial Hospital.

The ceremony will begin on the hospital grounds with the lighting of the tree and holiday carols led by hospital employees. Immediately following the lighting event, donors, as well as their honorees, are invited to Heritage Hall for a celebratory reception.

This tradition is a wonderful opportunity to give a truly meaningful gift from the heart, and at the same time benefit the patients of Morgan Memorial Hospital.
